CIVITAN CLUBS HONOR TWO MBA STUDENTS

Senior Michael O'Hare was honored by the Civitan Club of Nashville during its weekly luncheon on March 28, as First Prize winner of the 1988-89 Citizenship Essay Contest. Along with the second and third place winners, from Hunters Lane and McGavock High Schools respectively, Michael was invited to read his winning essay to Club members and guests on this occasion, and was presented with a check for \$200 in recognition of this honor. Michael's essay, on the assigned topic of "One Nation Under God," will be duly entered in the Civitan Valley District for the next higher level of competition.

Eighth grader Julian Bibb has been chosen by the MBA Junior School Faculty as the school's recipient of the outstanding citizen award given by the Melrose Civitan Club to selected students from area junior high schools. Julian and his parents will be guests of the Club at a banquet later in April.

MBA STUDENTS WIN ART AWARDS

In a Nashville area student art competition sponsored by Interstate Packaging Company, senior John Smithwick was awarded Second Prize for a watercolor still life. The prize included a cash award of \$150.

In a nationwide Linoleum Block Print contest sponsored by Dick Blick Art Supply Company, the largest art supplier in the country, MBA students took several prizes, including a national Second Prize award in the Intermediate Division to Kirke Martin (8th grade), and four Honorable Mention winners in the Intermediate and Senior Divisions: Jason Willis (8th grade), Scott Galloway, Bo Healy, and David Lockyear (12th grade). The four Honorable Mention awards for MBA were of only 20 such awards given nationally, and the winners were chosen from about 1,200 entries in all.

MOREHEAD FOUNDATION NOMINEE FOR 1989: JASON WEST

The nominee from MBA to the John Motley Morehead Foundation for the current year is Jason West, who was invited to the campus of the University of North Carolina at Chapel Hill for interviews by the Central Selection Committee and for activities introducing the Morehead nominees to the UNC campus and program. Unfortunately, despite a highly distinguished record of achievement, Jason was not selected among the Morehead Foundation Scholars for next year.

Jason is the son of Mr. and Mrs. Robert West and came to MBA from the Memphis University School at the beginning of his junior year. In addition to an outstanding academic record, Jason has been actively involved in drama production, in student publications, and in athletics as a starting runner for the MBA Track Team.

MBA BELL RINGER AWARDED SUPERIOR RATING

The School of Journalism of the University of Tennessee has awarded the MBA Bell Ringer its highest rating of SUPERIOR in its annual competition among all comparable school publications statewide. The Co-Editors of The Bell Ringer this year are Jason Burroughs and Marion Southall, and the Advisor is Dr. Christian Niemeyer.

MBA RIFLE TEAM

The shooters who compose the MBA Rifle Team were chosen in early December for this school year. They are Jim Abernathy, Anthony Albrecht, Scott Doolittle, Eric Falk, Kelsey Fitzpatrick, David Lockyear, David Moroney, Chuck Nichols, Sandy Olejniczak, Greg Parker, Shannon Price, and Thayer Smith. The team practices each Wednesday from 7:00 to 9:00 p.m. at the Vanderbilt University Rifle Range. For a number of years, Mr. Jimmy Stevens has coached and sponsored the Rifle Team. We remain grateful to him for his hours of volunteer work with our boys.

The first tournament for the Rifle Team was held on Saturday, January 14, and our team placed second. In another tournament held on January 28, the team placed first. Congratulations to our "Sharp Shooters."

ART SHOW

The Art Department has mailed to the parents information concerning the art of present students. This exhibit will be in the Patrick Wilson Library until March 31. Visit this art show and see what MBA students are doing!

MBA CHESS CLUB

The MBA Chess Club has worked overtime this semester in preparation for four major tournaments. The Midstate Scholastic Championship Tournament, held on the MBA campus the 25th of February, featured individual competition for all grade levels and proved to be great experience for later competitions.

The State Qualifying Tournament was held March 4 in Dickson County. MBA fielded Varsity and Junior Varsity teams. By placing 1st in our district, MBA participated in the State Scholastic Tournament held March 18 at MBA. MBA is planning to go to Knoxville in May for the National High School Championships. The Chess Club boasts 33 members this year. The Varsity team members include Alex Rogers, Mike O'Hare, Chris Steels, Mark Thrailkill, David Strayhorn, Lance Carney, John McDonald, Robert Echols, Clay Posey, Lawrence Berman, and Greg Parker; and the Junior School team members are Andrew Varenkamp, Sachin Vaikunth, Ben Curtis, Jason Bennett, Winn Keathley, and J.T. Steele.

Mr. David Mikell is the faculty sponsor for the Chess Club, and Mr. Mark Ishee, MBA alumnus Class of '77, is the coach. Mr. Ishee is Vice-President of the Tennessee Chess Association and a master-level chess player. They and the Club wish to thank the Fathers' Club for a donation used for tables and chairs at the State Tournament and to thank Dr. Paschall and the school for supporting the Chess Club's anticipated trip to the Nationals in the spring.

Congratulations to the varsity team on their third-place win in the tournament held at MBA on March 18.

COMMUNITY AWARENESS

So you've heard of Parents' Council of Nashville, but you aren't sure just what it's all about. Well, this report is for YOU!

In August 1985 two Nashville mothers, Margaret Dye and Beth Campbell, met to discuss their mutual idea of the formation of some sort of parent information--support--networking mechanism among parents of pre-adolescent and adolescent youth. They researched the need for such an organization by talking to parents, headmasters, and local youth agencies, and they received strong support. In November 1985 an introductory meeting was held for representatives of area private schools. Enthusiastic response led to the inception of Parents' Council of Nashville, which stated its purpose as (1) to provide a handbook as a resource, guide, and support for parents, (2) to provide networking among schools and parents, and (3) to provide parents with continuing education and awareness about our children's world.

Through diligent work of many interested parents and an advisory committee of professionals, with our own Ariail Seshul's expertise in combining all the information into handbook form, and with funding from four sources, A Delicate Balance was written, published, and distributed to charter schools by Fall '86. It features resources and encouragement for parents of Nashville youth, grades 4-12. Copies of A Delicate Balance are available to charter schools that choose to purchase them for new students each year (MBA does this!) Orders continue to come in from other people in our city, our state, and various areas of USA.

With the handbook completed, Parents' Council then focused on networking and education of parents through newsletters and regular meetings. Since Spring '87 a newsletter has been published twice a year (spring and fall) featuring a calendar of coming events from schools, agencies, and organizations, and also notes of interest from schools, doctors, counselors, etc. (Watch for Spring '89 Newsletter--MBA mails it). Regular meetings have been held in April and October since 1987 with outstanding programs featuring speakers on current topics such as AIDS, Problems facing Nashville students, parties and proms. (Watch for details of April '89 meeting in next News & Views.)

Due to the magnitude of the all-inclusive effort of organizing Parents' Council of Nashville in 1985, it was decided to begin with 15 charter schools. The Council is composed of two representatives from participating schools. Each representative serves a two-year term (MBA representatives for 1988-89 are Nancy Dunkerley and Angie Crawford.) Currently, any school can choose to send two representatives to be a part of Parents' Council and will therefore have voting privileges. Regular meetings and the handbook are available to all parents in the community.

So now you know all about Parents' Council of Nashville!! If you have not focused in on Parents' Council before and would like to get involved, dust off your copy of A Delicate Balance, read that Parents' Council Newsletter when it arrives this spring, and plan to attend the April meeting (date TBA). If you have questions, call Nancy Dunkerley (292-8502) or Angie Crawford (373-8960). The success of Parents' Council depend on participation of all parents. Please join us!

PARENTS' COUNCIL OF NASHVILLE SPRING SEMINAR

MBA SPORTS CAMPS

You have probably received information by now concerning the two different Sports Camps MBA will hold this summer. The All-Sports Camp is scheduled for the three weeks beginning June 12 and ending Jun 30 and the Sports Specialty Camps scheduled for July 10-14. The boys who have attended in the past have enjoyed the various activities and many will be returning this year. If you know of someone who is interested and has not received the information, call the school office (298-5514) and they will be mailed a brochure.

JIM POSTON HONORED BY TSSAA

"Jim Poston is the type of individual, teacher, coach and person who you would want your son or daughter to be associated with. Not only is he an outstanding coach and teacher, but his professional ethics and leadership exemplify him as an outstanding individual in the educational ranks. For his leadership in the high school athletic programs in the state of Tennessee, the TSSAA proudly salutes him this month with its Distinguished Service Award."

The above is the first paragraph of an article appearing in the TSSAA NEWS issue for March, 1989. MBA is proud that Mr. Poston gained recognition for his contributions to tennis through the year, and MBA is grateful for the dedicated, conscientious, and diligent efforts in the classroom and in his counseling office.

NEWS FROM THE COUNSELING OFFICE

College Night: April

In late April we plan to hold an information evening about college planning. This program will be designed to give juniors and their parents a general overview of the processes involved in applying for admission and financial aid. More information will follow as the details are settled.

SAT's and Achievements: Spring

All juniors should have taken the March 11 SAT.

All juniors and some sophomores and freshmen should begin thinking about taking Achievement Tests in May or June. Juniors need to take English, Math, and a third of their choice. Sophomores and freshmen may wish to consider taking a test in such subjects as Biology, Chemistry, Latin III, French III, and/or Spanish III. Any student who is unsure whether or not they are ready to take an Achievement Test should speak directly with his teacher in that course. Boys may pick up application forms for Achievements in the College Counseling Office.

ALUMNI NEWS

We have received news that John-Lindell Pfeffer, Class of 1986, has received an A.B. degree in Economics at Duke University. John-Lindell completed his degree in two and one-half years while maintaining a 4.0 average. In between terms, he has been working for FISI/Madison Financial where he wrote a short book on how to market to the over-50 banking customers, and is starting his own newsletter about retail bank marketing that is targeted to a readership of bank CEO/s and presidents. This alumnus of MBA says he has learned that the key to good writing is not so much talent as time and effort and adds that a good foundation of an MBA English education helps.

MOTHERS' AUXILIARY SPAGHETTI SUPPER ALLOCATIONS FOR 1988-89

The Mothers' Auxiliary had another successful Spaghetti Supper this year and have very generously allocated the monies as shown above.

CONGRATULATIONS TO THE MOTHERS on their great fund-raising success, and thanks from everyone concerned for the allocations this year and in the past.

MBA DEBATE TEAM

The MBA Debate Team had a most successful weekend of competition at The Homewood Classic in Birmingham in early November. The undefeated junior varsity team of Craig Davis and Babu Paruchuri won first place in their division with Craig edging out Babu as the top individual debator in junior varsity. The varsity team of Jonathan Reeve and Eugene Park placed third in their division while teammates Yoon-Ho Yu and Hal Jones placed fifth. Additionally, both Jonathan and Eugene were named top individual debaters in varsity. The two MBA novice teams of Garrett Kyle and John Wesley placed fifth in the novice division, while novice teammates Jim Hill and Robert Howell placed ninth. Garrett Kyle was named one of the top individual novice debaters. In individual events, Brad Griffin placed second in humorous interpretation, and Johnny Lamb placed fourth in extemporaneous speaking. The Debate Team presented silver trays to Dr. Paschall and to the Mothers' Auxiliary.

In early December the MBA Debate Team participated in the Hume-Fogg Invitational Tournament. The varsity team of Eugene Park and Hal Jones won first place in the varsity division with a perfect record. The other MBA entry of Craig Davis and Babu Paruchuri placed second. Meanwhile, the MBA novice team of Garrett Kyle and Robert Howell placed second in the novice division just edging out the MBA novice team of John Wesley and Warren Connally which placed third. In the novice Lincoln-Douglas division, first-time debater Alex Rogers placed third, barely going by teammate Renard Francois.

The MBA Debate Team participated in the Hall of Fame Tournament at the University of Alabama over the weekend of January 27-28. Brad Griffin made his finest showing ever in individual events by sweeping two first-place awards in the highly competitive events of prose interpretation and humorous interpretation. Brad received 16 out of 18 first-place rankings during the two days. The varsity debate team of Eugene Park and Hal Jones reached the elimination rounds with a perfect 6-0 record and were top seeded. The team reached semifinals before losing a 2-1 decision. Additionally, Eugene was second-place speaker and Hal was fourth-place. Renard Francois compiled a 3-3 record in Lincoln-Douglas Debate, as did the MBA novice teams of Garrett Kyle and Robert Howell as well as the team of John Wesley and Warren Connally.

The month of February proved just as successful for the ever-winning MBA Debate Team. Both 2-man debate teams to represent the State of Tennessee at the National Speech Tournament this June in Denver, Colorado, are from MBA. The teams qualifying for the Nationals are Eugene Park/Hal Jones and Craig Davis/Babu Paruchuri.

On the 24th and 25th of February, the Debate Team competed at Vestavia Hills High School in Birmingham. Leading the way for MBA again was senior Brad Griffin, who placed first in humorous interpretation. The varsity team of Jay Kahlon and Eugene Park placed third while Craig Davis and Babu Paruchuri were in quarterfinals. Willie Gray was a quarterfinalist in varsity debate. In novice debate the team of Garrett Kyle and Robert Howell were number one seed after the preliminary rounds as the only undefeated team among the 32-team field. The other MBA novice unit of John Wesley and Behdad Shahsavari (competing in his first tournament) reached the elimination rounds. Unfortunately, Garrett and Robert were upset in the quarterfinals.

In Lincoln-Douglas Debate in the novice division, the two MBA entries of Renard Francois and Alex Rogers reached the semifinals in different sides of the bracket in the 24-person field. Overall the MBA team effort triumphed for First Place Debate Sweepstakes with 86 points to edge out Mt. Brook High School of Birmingham with 83 points and a distant Woodward Academy of Atlanta.

James Gooch was a participant in the Tennessee Speech and Drama League District Speech contest on February 24. In the category of after-dinner speaking, James placed second in the District and has qualified to compete in the State Finals in April at Johnson City. Johnny Lamb participated in the Student Congress at Vestavia Hills High School the same weekend and was nominated for the Most Outstanding Member of the Congress.

The other MBA unit consisted of seniors Marion Southall, Jay Binkley, Rabin Nimmo, and Brian Stephenson; juniors Steve Anderson, David Lott, Martin Roberts, Winston Caldwell, Brett Stahlman, and Simon Westlake; sophomores Will Gray and David Mason.

The MBA Mock Trial Team did what the two previous units were unable to do: finish first place in the Nashville district and qualify for the Tennessee State Finals in April. This year's winning unit edged Harpeth Hall 8 ballots to 7 ballots to take the first-place plaque in the competition sponsored by the Tennessee Young Lawyers Association. The 10 MBA boys on the winning team were seniors Richie Gann, Lawrence Berman, Rhoads Hall, David Strayhorn, Jason Burroughs, and John Hays; juniors Renard Francois and David Trainer; and sophomores Babu Paruchuri and Charles Israel. Plaintiff's Attorneys for the Red Team were Renard Francois and Richie Gann; the White Team, Simon Westlake, Marion Southall, and Steve Anderson. Plaintiff's Witnesses for the Red Team Jason Burroughs, Rhoads Hall, and David Strayhorn; for the White Team, Jay Binkley, David Lott, and Will Gray. The defendant's Attorneys for the Red Team were Babu Paruchuri and Lawrence Berman; for the White Team, David Mason, Robin Nimmo, and Brett Stahlman. Defendant's Witnesses for the Red Team were John Hays, David Trainer, and Charles Israel; for the White Team, Martin Roberts, Brian Stephenson, and Winston Caldwell.

Competition at BGA on March 10 and 11 brought recognition to Brad Griffin. He became the first person in the history of Montgomery Bell Academy to qualify for the National Speech Tournament in the area of "Humorous Interpretation." Brad will represent Tennessee this summer at the national competition in Denver. His winning humorous selection was a cutting from Actor's Nightmare. Join Brad from the 38-person field will be competitors from Battle Ground Academy and Harding Academy in Memphis.

CHAPTER AWARD FROM THE NATIONAL FORENSIC LEAGUE

"There's no debate about it: MBA forensic team is tops." This is the title to an Honor Roll article written by Diane Long which appeared in The Tennessean on February 27, 1989. Staff writer Long said:

Sustained forensic excellence has earned for Montgomery Bell Academy the prestigious Leading Chapter Award from the National Forensic League.

The MBA chapter, coached by teacher Billy Tate, was the only school in Tennessee to receive the honor and one of only 78 winners among some 2,300 member schools nationwide.

The award, the highest league honor, is based on continuing, outstanding student participation.

In addition, in the notification letter, national league Secretary James Copeland cited Tate's dedication in teaching 456 students over the past five years the 'vital life skills of communication, analysis, leadership, organization and fair play.'

WRESTLING

Billy Frist was recently crowned the TSSAA State Wrestling Champion in his weight class. As a senior and co-captain, he finished the season with an individual record of 33-4-2. In winning his semifinal and final matches Billy defeated both boys who had beaten him this year.

Also representing MBA in the state tournament were Brett Sanders, Greg Downer, David Trainer, and Dan Brooks. All five qualified for the state tournament based on their performance in the District and Region tournaments. Lance Carney and Dudley Hammon were also place finishers in the District tournament, where Greg Downer, the team's other co-captain, capped his career by winning his second District Championship.

The freshman team finished third in their region tournament. Consolation winners were Morgan Parker, David Frazier, and Eric Crawford. Brett Sanders and Bo Bartholomew were individual champions.

Congratulations to both teams!
